

# Enough Lard

Vanessa Raney

What you might  
not  
know  
tripping on the  
dumpster  
how  
eyes  
can bind the  
tragic  
enough  
times  
to hide inside  
paper  
money  
need  
is a bad thing  
can  
turn  
the bitter crazy  
but  
unwind  
indifference start  
creating  
risk  
the 8-ball says  
Yes  
opportuni  
ty  
awaits you go;  
choice  
becomes  
you in the  
gallows.

lullaby lullaby  
lines the lie

Can you see me

crying  
bleeding out lead

waste  
exploding toxins

unclean  
manufacturing  
tub of

lard  
rocking the  
money

chains  
Who gets to  
live?

glub glub  
goes the geese
